

# CS5003: Practical 2 - Gin Rummy

JACKS\_NO & 190026921

March 19, 2021

## Research question

There is an old statue in the courtyard that weeps, like Niobe, its sorrow in stone. The griefs of the ages she has made her own. Her eyes are rain-washed but not hard, her body is covered in mould, the garden overgrown.

```
console.log("how about a code snippet")
```

Or alternatively `some inline code` for you?

## Heading 1

## Heading 2

## Heading 3

Have fun.
